

Western Regional Zone II

June 10, 2004

Dear Vendor;

It is again time to consider the Western Regional Paint Horse Show, September 9th thru 12th, 2004, at the Reno Livestock Event Center in Reno, Nevada.

This year's show should be larger than any other with almost 400 horses from thirteen states. This, again, should be one of the largest Paint Horse shows in the country.

Enclosed is a contract for commercial booth space at this year's show.

Booth space rates have not changed. It will be \$85. Booth space is available in multiples of 10' at these rates. Outside space is also available.. Outside, there will be an additional charge of \$20 per day for electrical use.

If you wish to reserve space, please read and sign the enclosed contract and return it to me with your check. No reservations will be taken without payment, and spaces are assigned on a first come-first served basis. Kindly indicate at the bottom of the contract what size booth you will require, and whether you prefer to have a booth against the wall or along the rail, (no display height limit). I will mail a copy of the contract back to you.

If you have any questions, please give me a call at 801-295-7581, or e-mail me at sheilap888@msn.com

Sincerely yours,

Sheila A. Plimpton
