

Minutes of Zone 2 Meeting held at the Zone 2 Show, Reno, NV – Sept 7th, 2003.

Present were George Maxwell, Bob & Katy Lentz, Terri Wirthlin, Sheila Plimpton, Sharon Avery, James Christopherson, Sharon Bates, Carol Pchelkin, Geoff Williams and Marla Fadel.

There was no formal agenda.

2004 Show Date

There was a discussion on dates for the 2004 Show. The Reno Livestock Events Center is holding Sept. 8, 9, 10, & 11, 2004 for us until Nov. 15th, 2003. The possibility of moving the show to August, 19, 20, 21 & 22 is being explored. RLEC may become available and we are “penciled in”. It also depends on whether California Clubs keep their same weekends or roll with the calendar. George will try to get the information from the California clubs. It was agreed that the August dates were the preferred dates for the 2004 Show, but if those dates are not possible, we would stay with Sept. 8, 9, 10, & 11 for 2004.

2003 Show

Generally it was felt the show ran smoothly, the schedule was good and allowed for growth. There were approximately 300 stalls used. We saved \$1,000.00 on security over last year. The General Store inventory is all paid for. The announcer did a great job.

There were 3 or 4 California club members who volunteered their help for setting up the jumps and trail and were much appreciated. (Secretary’s note: Send Thank-you?? Does anyone know who they are?)

Judge’s comments were favorable, but we do need to make sure we have a scribe available for each judge.

We would also like to see more sponsorship from the regional clubs next year. The names of the regional clubs who did sponsor this year were announced periodically during the show. Hopefully, this will help encourage contributions for next year.

Next Meeting

The next meeting will be held November 2nd, 2003 in Las Vegas. We will meet in George Maxwell’s room at the Embassy Suites; Zone 2 to pick up George’s room expense for 1 night.
